## Get Involved!

Have you ever wanted to become more involved in your local government? There are many ways in which you can serve, including volunteering for one of the City's boards or commissions.

These boards typically meet no more than once per month.

City boards each have seven places which are appointed by the City Council for two-year terms. On most boards, even-numbered place terms expire December 31, 2018 so seats will be open!
